# COMMENDATION

**Leverton UK**  
**Marcus Leverton**

You are commended for your work in securing the arrival of The Knife Angel, a national monument, to Chesterfield in October 2021.

The arrival of the Knife Angel was a huge success; prompting debate, the surrender of hundreds of knives and had a significant educational impact.

This was an excellent example of partnership work, involving many weeks of negotiations, planning, commitment, time and effort by all. Your outstanding contribution and work led to the success of the event.

A handwritten signature in black ink, appearing to read 'Hayley Barnett', is centered below the commendation text.
